Goodwood
Community Bank® Branch  **Bendigo Bank**

Our branch

Goodwood **Community Bank**[®] Branch was developed by a group of people from the local community and was a concept that was supported by the Unley Council.

We are 50% owned and backed by Bendigo Bank who has given us the banking infrastructure to operate under the banking license. In its first two years of operation, branch funds under management grew to over \$21million. 50% of any profit we make will be put back into the community activities once profitable.

As a team we are involved in the Community and see all our clients as part of this, whether you live in the district or further away.

As Manager of our branch we take pride in our team on being able to work within the Community and meet the needs of each of our clients on an individual basis.
